

Study Tour Report

Government Arts College, Bayad

Program under CAWACH Center

Place of Visit: National Forensic Sciences University, Gandhinagar.

Date of Visit: 06-03-2026

On 06/03/2026, as part of the CAWACH Project, an educational tour was organized for students of Government Arts College, Bayad to National Forensic Sciences University, Gandhinagar. A total of 50 registered students along with staff members assembled at the college campus and departed for Gandhinagar by bus at 8:00 AM. The group reached NFSU at 10:30 AM where they were warmly welcomed. A meeting was arranged with Shri Digvijaysinh Rathod who took everyone to the seminar hall. He gave detailed information about various cyber security courses run by the university, their benefits, and practical usefulness. Students also raised their doubts and questions, which were answered patiently by the officer. After a complete PPT presentation and lecture on cyber security, verbal feedback was collected from students regarding their learning experience. Later, students were given a guided tour of the university campus and arrangements for meals were made. The group returned to Bayad by 6:00 PM. The entire program was planned and conducted under the chairmanship of CAWACH Coordinator Dr. Parvin Makrani. College staff members Gitaba Chavda, Anand Acharya, Prajapati Parul, Parmar Natubhai, and support staff Kamlesh Patel and Solanki Jitendra actively participated. The visit witnessed enthusiastic involvement from both students and staff, making it a successful and informative study tour.
